Baking powder at 25 cents or 30 cents a pound never ought to have been sold, because good baking powder is cheaper—does more for the money.

But now as the good times are coming back—as the newspapers say—the excuse for cheap baking powders is even less than ever.

## LATE NEWS OF THE ORIENT

Japanese Sake Brewers May Curtail Its  
Production One Half.

No Dividend for the Nippon Yusen Kaisha—  
The Partitioning of China—Epi-  
demic at Amoy.

Mr. C. Imbault-Huait, Consul  
for France at Canton, is dead.

The new battleship Yashima  
arrived at Yokosuka on the 30th  
ult.

Count d'Eu, the grandson of  
Louis Philippe, and the Prince  
d'Orleans are visiting Japan.

The Sake Brewers' Guild, at a  
recent meeting, decided to actively  
canvass in order to secure the  
election of candidates opposed to  
the present Cabinet, at the next  
general election; that in the event  
of the Sake Tax Increase Bill be-  
ing enacted the guild shall form a  
company for the import of alcohol  
with a capital of over a million  
and that the amount of sake to be  
brewed this year shall be reduced to  
one half that of a normal year.

At the general meeting of the  
Nippon Yusen Kaisha held on the  
29th ult., it was decided not to  
declare any dividend for the  
past half year. The reason, as  
stated by the President, was that  
though, on the whole, the coasting  
traffic had been very successful,  
the Company incurred a loss of  
over 400,000 yen on account of its  
foreign services, and required a  
larger disbursement in conse-  
quence of the rise in the market  
price of commodities.

The recent weather has been  
unusually hot at Amoy, and an  
epidemic is raging there, to which  
from seventy to eighty deaths  
daily in the city are attributed.

The cargo steamer Candia, of  
the P. & O. line, has established  
a record run from Hongkong to  
Sydney. She left on the 5th  
October, and arrived in Port  
Jackson on the 22nd, taking 17  
days on the passage.

It is freely reported in Hong-  
kong that Germany, Russia, and  
France have decided to partition  
China. Germany is to get Kia-  
chow and the whole of Shantung;  
France to get Formosa and Fuh-  
kien; Russia annexes Korea and  
Manchuria and the whole of  
north east China. The three  
Powers hope to overawe Japan by  
acting in concert.

## Another Light Mishap.

About 8 o'clock last night the  
lights in E. W. Jordan's store  
went out. There were several  
customers in the store at the time  
and the accident was unfortunate.  
Merchants are very hopeful that  
the accident of the past two  
nights to the light system will not  
occur on Christmas eve, when  
they are in the midst of their best  
business of the year.

## Cutting Down the Hill.

The tram track on the Fort  
street hill above Beretania has  
been sunk from a foot to a foot  
and a half below the level. This  
is the beginning of a move, which  
will be immediately executed, to  
raise the hill. The driveways and  
sidewalks will be taken down to  
conform to the grade above and  
below, toward town.

## Regimental Bar Shooting.

Medal shooting at Kakaako was  
slow yesterday. Four men of Com-  
pany F scored. Corporal Hirsch-  
mann was the only one to win a  
bar. He made 38 and is entitled  
to a bronze trophy. Captain Coyne  
is officer of the range this after-  
noon. Captain Zeigler will have  
charge tomorrow from 1 p. m.

## A Famous Bird.

The falcon which alighted on  
the mast of the Takachiko Kan at  
the time of the naval war with  
China, and which was so much  
talked of in consequence, died  
lately in the Shinjuku Imperial  
farm, where it had been kept. It  
is to be stuffed by order of the  
Emperor and exhibited at the  
Museum.

Window and door cranes,  
screens and casals just received at  
King Bros', Hotel street.
